Dear Brothers and Sisters in Jesus Christ our Lord and loving Friends of Japanese Christian Revival Centre (JCRC).

Greetings to All. Grace and Peace to you from God Father and the Lord Jesus Christ. I pray that you may prosper in all things and be in health, just as your soul prospers.

As I earlier informed you, on September 12, we JCRC held an opening celebration service public under the rich His Presence and the full of His Grace. It was an awesome blessing of the Lord.

Although this was to be such a special event for us, we rather wanted to present ourselves as we are, rather than showing off a special program, such as special music, guest speech, etc..

As for my opening message, I introduced myself and JCRC ministry, how the Lord led me to this day from the day of His Supernatural visitation in 1967. I spoke my Journey of Faith, from the beginning of point A through many points upto the point Vancouver. But my journey is not over yet in Vancouver, I will still running forward to the Destiny, from deeper to deeper, searching for the secret of His Truth.

On closing, I shared my Vision of JCRC ministry the Lord revealed to me through Ezekiel 47:1-12 and the prophetic dream of Ezekiel 36:33-38 shown for the town of Vancouver. There were good positive response from all the attended which lifted us up high and encouraged. We pray God to fulfill this Vision and Prophecy on JCRC ministry and the city of Vancouver by manifesting the signs and wonders.. ...

Thank you all for your prayer and God Bless You all.

Yasuo Tano,
JCRC
