

It's a pleasure to share with you what's happening in our lives. Many things are in the process of changing, including how we will communicate. Thanks for sticking with us...

► **Send-off Filled With Blessing and Encouragement**

August 22 at Abundant Life Church was our official Send-off Service. The ceremony was very touching and we were blessed by the encouragement of church members and other good friends.

► **Mini-"Vacation" with Youth Off Taiwan Island**

August 24-25, Sam joined the church youth outing to Little Liou Chiou (小琉球), a small island 30 minutes off the coast of Kaohsiung. The main attraction is renting motorbikes to circle the island to view the sea life at various stops (a couple hours of driving gets you around the island). For the most part it was enjoyable, but tiring being in charge of youth again.

► **Holy Spirit Moves at AI Camp**

August 28-29, Sam participated in the church AI Life Change Camp, a two day event for new members and believers to get to know our church and experience the Holy Spirit. Sam taught one of the sessions, played piano for worship and ministry times, and was involved in prophetic ministry. Twelve people attended and experienced God in special ways.

Many of you have been praying at various times for us. At this time we are looking to recruit a team of "official" prayer partners to pray on a regular basis (at least one hour per week) for specific ministry and family related requests. If you are interested in joining this team, please respond with your name and correct email address.

But as Scripture says: "No eye has seen, no ear has heard, and no mind has imagined the things that God has prepared for those who love him." 1 Cor 2:9 (GW)
