Dear Friends of Ray of Hope:

This weekend one of our mamas is in Taipei taking care of some court issues, where she is being sued for previous bad choices. Last month, another of our mamas went to prison for one year for past bad choices. We find that much of our CPC time is spent helping these mamas work through naïve decisions and train them to become responsible adults. Many of their choices come from being raised without a mother or having mothers incapable of teaching their daughters.

Some of you also prayed last month for another pregnant 15-year old, who chose to go to prison for one year rather than come to Ray of Hope. We find that these young ladies seemingly have no common sense. Teaching is so desperately needed for them to understand how to protect themselves from being used and abused.

At the moment of my writing, a family just brought their 16-year old, who is three months pregnant, into our office to learn more about our services.

School has re-opened. Seven volunteers were trained yesterday to help teach students in sexual purity and sanctity of life. They have committed to helping our WWF team, which will begin teaching in schools again next week.

I am enclosing a letter with this short note to explain Ray of Hope's giving methods. I want to encourage you to consider giving monthly to Ray of Hope. This will lighten our load of fundraising by ensuring that we have the necessary budget to continue to minister to these on-going needs. By doing so, our staff will all have more time to work and help more hurting people, save more babies, and teach more youth.

I covet and appreciate all your prayers. Our staffs pray for Taiwan and for our donors. I also encourage those in Taiwan to stop by and visit our Ray of Hope Thrift Store when you are in Tainan. We are so grateful for all the wonderful donations and for those who come to purchase.

Ministering to the Hurting,

Juanita Hebard

Making the Biggest Impact

Ray of Hope has begun our 12th year in Taiwan, which has the lowest birthrate in the entire world and the highest abortion rate per capita in all of Asia. We continue teaching "True Love is Worth Waiting For" throughout the Island's schools, churches and organizations, emphasizing sexual purity and sanctity of life, along with ministering to women in crisis pregnancies and with adoption referrals.

Our future goal is to have a Ray of Hope Village where these broken, unwed, orphaned and uneducated mamas will have a safe haven from their sad and abusive pasts and where they will grow in Jesus' love, while being educated to further their life skills.

We need you! You are a critical part of His plan...you

are the provision for His vision! If He has put these hurting young women and their babies on your heart...please partner with us as a monthly electronic giver. No gift is too small...or too large. The faithfulness of our partners sets us free to focus on ministry, not fundraising.

You are welcome to sow on top of your monthly partnership as the Lord provides and leads, but first please ensure we have what we need each month by becoming a **Guardian Angel**. You will save Ray of Hope money, and help us reach more women and babies if we aren't stressing over monthly needs.
